LARRYBOY AND THE FIB FROM OUTER SPACE

At the March and February kidzklubs we've been using the great movie 'Larryboy and the Fib from Outer Space' to help illustrate our theme.

A little fib turns into a big problem for Junior Asparagus! With dad's favourite bowling plate in pieces, Junior is sure to be punished ... until a strange visitor advises him to cover his tracks with a little white lie. Dad buys the story, but

Junior notices his new friend seems a little bigger now and a lot less cute!

Lies have a way of growing — and it isn't long before Junior's 'little fib' has grown into a 30-foot-tall monster, threatening to devour all of Bumblyburg City!

There's only one person to call in a crisis like this ... Bumblyburg's own superhero, Larry-Boy! But

Junior realises he's in big trouble!

(Continued from page 1)

can anyone stop the Fib from Outer Space?!!

Larry soon realises that he can't do anything without Junior's cooperation. Junior has to help save himself from Fib and his power – by telling the truth. Junior eventually blurts out "I did it!" leading to a "happy ever after" ending.

The movie is a great illustration of the power of the things we do wrong to control our lives and of Jesus' famous maxim "The truth will set you free." With Jesus' help – and a bit of cooperation from us – we can live free, fulfilled and fruitful lives! ■

Lighthouse 2010

Lighthouse Thame is relocating to Lord Williams Upper School grounds. Changes with the Thame Show date made a move necessary, and the team have been working hard with the School and Leisure Centre managements to secure the new site. Lighthouse will still contain all the usual mix of fun, games, silliness and – most importantly – gunge!

Book online after Easter at www.lighthousehame.org.uk

LOVE THAME?

Starting with a 'Community Action Day' next Saturday is a week of events, hosted by local churches working together under the banner of Thame Churches United. People sometimes ask why the church gets involved in the community through these sort of events.

The simplest explanation is that the church has a role at the heart of the community. As Western society is getting more fragmented as traditional ideas about relationships change, 'the faith communities' have a significant role to play.

As events like Lighthouse show, the church remains a powerful force in mobilising volunteers to 'good works'. National agency Faithworks comments, "Our faith is our engine". Our belief (in a loving God who wants to reconcile people to each other through reconciling them to himself) is a powerful motivator to engage in positive community-building initiatives!

So our faith and our activity are unavoidably linked. We selflessly serve, because we follow a selfless God! ■

- Community Action day Saturday 20 March
- Lunchbar events at the Barns Centre Wednesday 24–Friday 26 March
