# what is kidzklub?

**kidzklubthame** is an exciting initiative for kids who live in and around Thame.

**kidzklubthame** is a monthly Saturday morning of fun, games, competitions, music and stories – and much, much more – for school years 1 to 6.

**kidzklubthame** started in 2008 and is run by local churches, including for kids who don't normally go to church. It works in partnership with **Lighthouse** and **Thame Churches United**, serving families in and around Thame.

## COMMUNITY CAFE

Alongside kidzklub there is a chilled cafe for all you harrassed parents! Just a coffee and croissant while you wait to collect? Or a whole hour chilling and chatting? The choice is yours. We've got toddler toys, newspapers and information about families, parenting and community events.

## a day in the life of kidzklub

**Registration** opens at 9.45am, with the main programme starting at 10.00am. While children are registering we'll have games and other cool stuff going on – so don't be late! (If it's your first time, make sure you bring your mum/dad so we can meet them and they can fill out a form!)

Then the chaos begins! Your hosts will **welcome** everyone – including any 'Happy Birthdays', running through the house rules and introducing the theme.

We always start with lots of **games** with chances to score points for your **team**. There's **music and singing** (with the brill actions, of course!).

There's silly stories with **Harry & Larry** and usually a **story from the Bible**.

We're **big on having fun**, but also **big on listening**, so there are cool prizes for the best listeners each session!

We end with a short **prayer** time – whether its the kids, adults or everyone together thanking God.
