## MAKE A FILM SCENE

When animated films are made, the film makes the characters and then put them onto a backdrop.

1. Colour in some of these characters.
2. Create a background for them.  
You'll need another sheet of paper and to think up an idea for a background!
3. Stick the characters onto the background.
4. Bring your completed scene along to next kidzklub and we'll give prizes for the best ones! Don't forget to write your name on the sheet!

**MAKE YOUR OWN VEGGIE**

some clever kidzklubbers brought in some home-made balloon Veggies! We thought it was such a cool idea that it's part of a activity sheet this month. Just stick on the face-parts on a balloon!
